On March 27, 2019, Entegris, Inc. (“Entegris”) granted Versum Materials, Inc. (“Versum”) a waiver that permits Versum to engage in discussions with, but not provide non-public information to, Merck KGaA, Darmstadt, Germany (“Merck”) for a 10-day period commencing on March 27, 2019. A copy of the waiver letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

On March 28, 2019, in accordance with such waiver, representatives of Versum and Merck met to discuss the terms of the previously announced unsolicited tender offer from Merck to acquire all outstanding shares of Versum for \$48 per share in cash (the “Offer”) and Merck conveyed the possibility of improving the terms of the Offer upon review by Merck of certain information required for Merck to complete its due diligence.

Following such discussion, on March 29, 2019, Versum issued a press release announcing that the board of directors of Versum (the “Versum Board”), after careful consideration and consultation with its financial and legal advisors, unanimously determined to reject the Offer, unanimously determined that Merck’s proposal could reasonably be expected to result in a superior proposal for purposes of Versum’s previously announced merger agreement with Entegris, and authorized Versum’s management and its advisers to engage in further discussions with, and provide non-public information to, Merck. A copy of the press release is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

The Versum Board has not changed its recommendation in support of the pending all-stock merger of equals with Entegris.

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that are subject to risks and uncertainties and are made pursuant to the safe harbor provisions of Section 27A of the Securities Act of 1993, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. Where a forward-looking statement expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. The words “believe” “continue,” “could,” “expect,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “should,” “may,”

“will,” “would” or the negative thereof and similar expressions are intended to identify such forward-looking statements. These forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond Versum Materials’ and Entegris, Inc.’s (“Entegris”) control. Statements in this communication regarding Versum Materials, Entegris and the combined company that are forward-looking, including projections as to the anticipated benefits of the proposed transaction, the impact of the proposed transaction on Versum Materials’ and Entegris’ business and future financial and operating results, the amount and timing of synergies from the proposed transaction, and the closing date for the proposed transaction, are based on management’s estimates, assumptions and projections, and are subject to significant uncertainties and other factors, many of which are beyond Versum Materials’ and Entegris’ control. These factors and risks include, but are not limited to, (i) weakening of global and/or regional economic conditions, generally or specifically in the semiconductor industry, which could decrease the demand for Versum Materials’ and Entegris’ products and solutions; (ii) the ability to meet rapid demand shifts; (iii) the ability to continue technological innovation and introduce new products to meet customers’ rapidly changing requirements; (iv) the concentrated customer base; (v) the ability to identify, effect and integrate acquisitions, joint ventures or other transactions; (vi) the ability to protect and enforce intellectual property rights; (vii) operational, political and legal risks of Versum Materials’ and Entegris’ international operations; (viii) Versum Materials’ and Entegris’ dependence on sole source and limited source suppliers; (ix) the increasing complexity of certain manufacturing processes; (x) raw material shortages and price increases; (xi) changes in government regulations of the countries in which Versum Materials and Entegris operate; (xii) the fluctuation of currency exchange rates; (xiii) fluctuations in the market price of Entegris’ stock; (xiv) the level of, and obligations associated with, Versum Materials’ and Entegris’ indebtedness; and (xv) other risk factors and additional information. In addition, material risks that could cause actual results to differ from forward-looking statements include: the inherent uncertainty associated with financial or other projections; the prompt and effective integration of Entegris’ businesses and the ability to achieve the anticipated synergies and value-creation contemplated by the proposed transaction; the risk associated with Versum Materials’ and Entegris’ ability to obtain the approval of the proposed transaction by their shareholders required to consummate the proposed transaction and the timing of the closing of the proposed transaction, including the risk that the conditions to the transaction are not satisfied on a timely basis or at all and the failure of the transaction to close for any other reason; the risk that a consent or authorization that may be required for the proposed transaction is not obtained or is obtained subject to conditions that are not anticipated; unanticipated difficulties or expenditures relating to the transaction, the response of business partners and retention as a result of the announcement and pendency of the transaction; and the diversion of management time on transaction-related issues. For a more detailed discussion of such risks and other factors, see Versum Materials’ and Entegris’ filings with the SEC, including under the headings “Cautionary Statement Regarding Forward-Looking Statements” and “Risk Factors” in Entegris’ and Versum Materials’ joint proxy statement/prospectus that forms part of the registration statement on Form S-4 filed by Entegris, “Risks Factors” in Item 1A of Entegris’ Annual Report on Form 10-K for the fiscal year ended December 31, 2018, filed on February 11, 2019, and Versum Materials’ Annual Report on Form 10-K for the fiscal year ended September 30, 2018, filed on November 21, 2018 and in other periodic filings, available on the SEC website or www.entegris.com or www.versummaterials.com. Investors should not assume that any lack of update to a previously issued “forward-looking statement” constitutes a reaffirmation of that statement.

Versum Materials' Board of Directors Rejects Unsolicited Tender Offer from Merck KGaA**Urges Stockholders Not to Tender Their Shares****Determines to Engage in Discussions with Merck**

TEMPE, Ariz. – March 29, 2019 – Versum Materials, Inc. (NYSE: VSM) today announced that its board of directors (the “Versum Board”), after careful consideration and consultation with its financial and legal advisors, unanimously determined to reject the unsolicited tender offer from Merck KGaA (“Merck”) to acquire all outstanding shares of Versum for \$48 per share in cash (the “Offer”). The Versum Board determined that the Offer is not in the best interests of Versum or its stockholders. Accordingly, the Versum Board recommends that Versum stockholders reject the Offer and not tender their shares into the Offer.

The reasons for the Versum Board’s recommendation to reject the Offer are set forth in a Schedule 14D-9, being filed by Versum with the Securities and Exchange Commission (“SEC”) today, which is also being disseminated to stockholders. Versum’s Schedule 14D-9 will also be available on the SEC’s website at www.sec.gov and on Versum’s website at www.versummaterials.com.

Versum also announced today that a meeting occurred between representatives of Versum and Merck pursuant to a limited waiver granted by Entegris, Inc. (NASDAQ: ENTG) under the previously announced merger agreement between Versum and Entegris. After consideration of such meeting, the Versum Board has determined, after consultation with its financial and legal advisors, that Merck’s proposal could reasonably be expected to result in a superior proposal under Versum’s merger agreement with Entegris and has authorized Versum’s management and its advisers to engage in further discussions with, and provide non-public information to, Merck.

The Versum Board has not changed its recommendation in support of the pending all-stock merger of equals with Entegris.

Lazard and Citi are serving as financial advisors to Versum and Simpson Thacher & Bartlett LLP is serving as legal counsel.
